WEEKEND REFLECTIONS

Today’s readings show some biblical roots of what Christians would later call the Trinity. Proverbs showcases the role of Wisdom in the work of creation, portrayed as a reality outside of God but integrated into God’s work of forming the heavens and the earth. We join the psalmist in sharing Wisdom’s delight in God’s handiwork: “O Lord, our God, how wonderful your name in all the earth” (Psalm 8:2). In his letter to the Romans, Paul writes of peace with God through Jesus, and the love of God received through the Holy Spirit, distinguishing God, Jesus, and the Holy Spirit while also displaying their abiding unity. Finally, in the farewell discourse from John’s Gospel, Jesus—who had earlier spoken of himself as Son of the Father—promises his friends that they will receive the Spirit of truth that will teach and guide them after his departure

A PRAYER FOR THE COMMUNITY OF UVALDE

Heavenly Father, You are the source of life and the seat of all wisdom. You call us to grow in knowledge, to serve with compassion, and to thrive in community. Our schools, all schools, are formed for this. Once again and still, a school has been rocked by gun violence. A place of learning was transformed into a place of violence. Innocent children lost their lives. Dedicated teachers lost their lives. Welcome them into your loving embrace. Show your justice and mercy to the gunman. Give solace to the parents and community of Uvalde. Give comfort to all those who have witnessed tragedy and are trying to comprehend this senseless act. Give boldness to citizens to demand action from their elected officials. Bless us with your protection, for we are all your children. May we live in peace; May we learn in safety; and may we strive to bring the peace of Christ to our troubled world. Grant this through Christ, our Lord. Amen.

POPE FRANCIS SPEAKS TO OUR HEARTS

The older theologians used to say that the soul is a kind of sailboat; the Holy Spirit is the wind that fills its sails and drives it forward, and the gusts of wind are the gifts of the Spirit. Lacking his impulse and his grace, we do not go forward. The Holy Spirit draws us into the mystery of the living God and saves us from the threat of a Church which is gnostic and self-referential, closed in on herself; he impels us to open the doors and go forth to proclaim and bear witness to the good news of the gospel, to communicate the joy of faith, the encounter with Christ.
